

Mission Statement: Calling the Christian-ish to Become Passionate Servants of Jesus Christ

Summary

The 2025 Camp Counselors will spend one week in July working at Camp Impact, which is our summer camp for our students in grades 7 through 12. These counselors will spend time both in behind the scenes preparation as well as with students.

Camp Impact is described as an experience unlike any other. Games, great food, team competitions, worship, powerful messages, community, bonfire, and mud are just the beginning. Camp is a great way to cap off the summer and get our students spiritually charged and ready to go back to school. This is the best week of the summer and we as staff believe that lessons learned about life in Jesus and Christian community at Camp Impact can have an eternal impact on students' lives.
