The Church <https://standrewmethodist.org/>

St. Andrew Student Ministry is a part of a growing and thriving community in Plano, Texas at a church that has seen growth both spiritually and numerically over the last several years. We are seeking a passionate lover of Jesus who will provide programming and ministry to students who attend St. Andrew. We believe strongly that before we can expect someone to believe, that they first must feel like they belong. We want someone who will be active in the community in finding partnerships with local schools, parachurch organizations such as Young Life and FCA, other area churches, and more. We seek someone who would rather be in the stands on Friday night than sitting in an office editing a Sunday message.

The Ministry

Our student ministry averages over 200 students at our summer camp each year and 120 students on a standard Sunday morning. We do not seek to do student ministry the way it has always been done. Nor are we of the "build it and they will come" mentality. Instead, we bring ministry wherever we go, and we live on mission. If you feel like this is the kind of team you want to be a part of, you might be the person we are trying to find.
